MAIL STOP AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450
Sir:

RESPONSE TO RESTRICTION REQUIREMENT

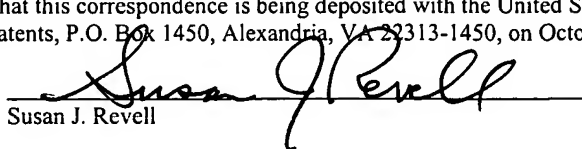

The requirement for restriction set forth in the Office Action of September 28, 2004, is traversed and reconsideration is respectfully requested.

The patent law, 35 U.S.C. § 121 indicates that restriction may be required if it is found that independent and distinct subject matter is claimed in the application. The Office Action of September 28, 2004 fails to establish that the subject matter is independent and distinct. Therefore, applicant submits the requirement for restriction is improper.

The Office Action alleges restriction is proper because the claimed subject of Claims 21 and 22 could be used in a washing system for automobiles. However, Claim 21 calls for an apparatus for a fire pump and, therefore, is not independent and distinct from Claims 1 to 10. And, clearly, Claim 10 is closely related to Claims 1 to 9. Therefore, reconsideration of the restriction requirement is requested.
